

ELECTRICAL SUPPLY REQUEST FORM

Company / Trade Name				Show Ref.							
Contact		Telephone		Fax / e-mail							
<p>Please give details below of the electrical equipment that you intend to bring to the show. It is important to detail the equipment to be used as accurately as possible as each supply will be fused accordingly. We reserve the right to prohibit use of electrical equipment which has not been declared on this form.</p> <p>Charges for electricity are as follows:</p> <table style="margin-left: 40px; border: none;"> <tr> <td style="padding-right: 20px;">Up to 5 Amps</td> <td style="text-align: right;">£50</td> </tr> <tr> <td>6 to 16 Amps</td> <td style="text-align: right;">£75</td> </tr> <tr> <td>17 to 32 Amps</td> <td style="text-align: right;">£140</td> </tr> </table> <p>Our minimum supply at £50 for the 2 day show is primarily intended for small stall holders, e.g. in the Craft Marquee, to provide lighting, etc. This supply is not suitable for standard 2kW domestic kettles.</p> <p>If you need more than 32 amps please contact Show Electrician whose contact number appears below. Heavy consumers of electricity, e.g. caterers, will be supplied individually and charged accordingly.</p> <p>Stallholders are responsible for ensuring that all their electrical equipment meets current safety regulations. If in doubt, seek the assistance of the Site Electrician - Mr Mike Beviss on Tel No: 07836 738535.</p> <p>Stallholders are warned that in the event of defects in their equipment causing disruption to services, they will be liable for any losses incurred by the Show, other stallholders and the general public. This includes disruption to supplies through earth leakage caused by some surge protection devices. Exhibitors wishing to use a computer should seek authorisation through the Site Electrician.</p>						Up to 5 Amps	£50	6 to 16 Amps	£75	17 to 32 Amps	£140
Up to 5 Amps	£50										
6 to 16 Amps	£75										
17 to 32 Amps	£140										
No.	Description of Equipment	Power Rating watts (w/kw) or amps (A)									
2	example: table lamps	2 x 60w									
1	example: chest freezer	3A
