## 2020 Exhibitor Health & Safety Assessment Questionnaire for Axe Vale Show

This form is part of your application and therefore must be fully completed and returned with the rest of your application to the Show Office. Where evidence is requested (i.e. Public Liability Insurance) this must be submitted in advance and be available for inspection at all times whilst on the Show site.

It is your responsibility to ensure that suitable and sufficient risk assessments are carried out to cover your operations and activities at our Show. You are also required to consider the risk of fire within your stand / structure. Failure to comply with reasonable health and safety precautions may result in your being removed from the site.
